#### **Important Notes:**

- 1. The City reserves the right to accept or reject any and all land use proposals. Land use criteria are largely based on the City's 2020 Citywide Plan, its Sustainable Development Pattern initiative, and input from community development corporations and City Council members. Additionally, side yard requests may not be approved in neighborhoods where there is a demand for new housing.
- 2. If other adjacent home owners want to acquire the same lot, the lot can be split and transferred to the respective property owners. When lots are split, residents are required to administer and pay for lot surveys as well as the recording of a lot consolidation plat. Note: The cost varies and may exceed \$1,000.
- 3. Applicant must obtain all necessary approvals and permits from the City prior to making any improvements or commencing construction. Detailed information can be found on the City's website at <a href="http://tinyurl.com/cleveland-permits">http://tinyurl.com/cleveland-permits</a>
- 4. The City may place conditions on the sale and incorporate them as deed restrictions. If the buyer fails to make proposed improvements or properly maintain the property, the City may exercise its discretion and take back title to the property. Typical Deed restrictions may include but are not limited to:
  - a. At the end of the Lease/License term title to improvements shall vest with the Lessor/Licensor.
  - b. Removal of driveway apron (curb cut), reinstatement of curb and tree lawn.
  - c. Installation of new fencing to code re: setback, height restrictions and materials. In some cases, all existing fencing may be required to be brought up to code.
  - d. Completion of new landscaping to code.
  - e. The combined properties must be maintained properties in a decent, safe and sanitary manner. This includes keeping the properties free and clear of debris and weeds.

- 5. Side yard lots are not to be used for commercial or illegal purposes such as storage of vehicles, misc. debris or items not suitable for residential purposes, parking on unpaved surfaces, etc.
- 6. Once Applicants take possession of the Land Bank lot, they are responsible for all real estate property taxes and assessments on both properties moving forward. For a future property tax estimate, contact the Cuyahoga County Fiscal Office (Real Property Info.) at 216- 443-7010 or check out its property tax calculator at <a href="http://tinyurl.com/899s5t2">http://tinyurl.com/899s5t2</a>
